

# FRESNO, CALIFORNIA

## CLASS SPECIFICATION

### AIRPORT OPERATIONS/MAINTENANCE SPECIALIST LEADWORKER

Deleted: AIRPORT OPERATIONS

#### **FLSA STATUS:**

Non-Exempt

#### **CLASS SUMMARY:**

The Airport Operations/Maintenance Specialist Leadworker is the second level in a five level Airport Operations series. Incumbents are responsible for performing a variety of activities and tasks governed by numerous Federal, State and local entities associated with inspecting, repairing and maintaining airport equipment, grounds, facilities, and systems, monitoring the status of aircraft movement and serving as a lead to Operations Specialist staff. Incumbent may be responsible for the opening and closing of airport operations areas, including runways, and taxiways; and are authorized to make on-the-spot decisions which affect national air traffic schedules.

Deleted: Airport Operations

Deleted: Airport

The Airport Operations/Maintenance Specialist Leadworker is distinguished from the Airport Operations Specialist by its responsibility for making work assignments, overseeing the work of other Operations Specialists, training, ordering and distributing supplies, preparing reports, and performing administrative tasks in the absence of the superintendent. The Airport Operations/Maintenance Specialist Leadworker is distinguished from the Fresno Chandler Supervisor, which is responsible for supervising and administering the day-to-day operations of the Fresno Chandler Executive Airport.
